

3522392 A-800 GREY A-S

DESCRIPTION

Safety glasses from Honeywell with grey lenses and anti-scratch coating.

Sporty and wrap-around eyewear ideal for workers with a smaller face. The temples have increased fit due to extra "Flex" built in and the soft nosepiece conforms to various nose bridge shapes.

The glasses are made of 9-base polycarbonate abrasion resistant lenses.

For general use and protect against impact (45m/s).

DETAILS

- Anti-scratch coating
- Increased wrap-around fit
- Abrasion resistant polycarbonate
- Protects against impact
