

379

Fit for fortitude in wet environments, SHOWA's chemical-resistant 379 creates a shield against oils and slippery liquids with a double-dipped nitrile coating.

BENEFITS

- Foamed nitrile finish provides excellent grip performance and prevents slipping
- A flexible, robust glove offering great dexterity and good resistance to abrasion
- Waterproof
- Nitrile coating provides protection from chemical, oils, hydrocarbons, benzenes, grease and hexavalent chromium found in concrete
- Mimics the curvature of a human hand to reduce fatigue

FEATURES

- Double-dipped nitrile coating
- Extra foamed nitrile finish on palm
- Seamless knit
- 13 Gauge knitted liner
- Liquid proof
